

M & M HEATING & AIR CONDITIONING SERVICE CO.

ENERGY SAVINGS MAINTENANCE AGREEMENT

Dear Customer,

You need to have an Energy Savings Maintenance Agreement (ESMA) for your heating and air conditioning equipment. We strongly recommend you consider the value of an ESMA.

THE VALUE OF HAVING AN ESMA

- ✓ Priority service status over non-plan holders
- ✓ 10% discount on repairs and replacements
- ✓ Extends the life of your heating and air conditioning equipment
- ✓ Maximizes energy efficiency
- ✓ Transferable upon the purchase of new equipment or a new home

Don't neglect maintenance protection on your heating and air conditioning equipment. Failure to maintain your system adds to the cost of operation and shortens the life of your equipment.
